

THE 2ND ART OF SHAKING COMPETITION

by Kühner shaker

Win a Kühner Kelvin⁺

Kelvin⁺, the newest Kühner shaker family member, is looking for a job at YOUR laboratory!

We are very proud of our Kelvin⁺. Kelvin⁺ was a great student, completed an internship, made nice friendships and graduated top of the class. Kelvin⁺ is ready to start its laboratory career and is open to move to any country in the world. Would Kelvin⁺ make a great member for your team? Participate in our worldwide competition to win a Kelvin⁺ for free!

How it works

- Watch Kelvin⁺'s story on our website and show us why Kelvin⁺ should choose your laboratory
- Take pictures or make a video
- Send us your creation

We are looking for exceptional and outstanding ideas! All entries will be published on YouTube and/or our website.

Who can take part?

Industry and university research groups using any orbital shakers.
